

Sprint 3 - Meeting Minutes – 17th February

Present: Moad Sati, Rory Thomson-Bird, Qasim Baig, Rayyan Nomaan, Adil Mushtaq, Francesca Coss & Luna Cheung

Minute Taker: Francesca Coss

Completed during the meeting:

- Subgroup work
- The latter discussion points

Discussion Summary Points:

Ensure comments are by the different java functions to be linked with the frontend FXML button functions (Backend team).

Link the function code to their respective button code. Check comments in the respective java classes and link accordingly (Frontend team).

Upload minutes for this week's meetings (Francesca).

Create a clear order functionality (Backend and Frontend teams).

Get rid of the ID search bar in the orders scene as the purpose it was originally created for is no longer valid (Frontend team).
